BOOK

“Kind English phrases that can be used as is on Social Media and Illustrations(Japanese Edition)”
Available on Amazon!

This book connects you to the world!
When you receive comments in English,
this book provides phrases you can use to respond in English.
Today, you can start using the English phrases
included in this book.
I would be delighted
if you could make use of the phrases in this book!

ORIGINAL CHARACTER

Profile

Kisa Shoko

I am an illustrator and translator who focuses on the "easy English" theme and mainly shares my work on social media.

My design and illustration works include ornaments (sugar confectionery) for Hinamatsuri, Mother's Day, and weddings, as well as cat chocolate ornaments, all created for Mahoroba Inc.

In terms of teaching, I was a one-day lesson lecturer for the "First Creator EXPO" in December 2021 and the "First Comitia" in August 2022.

As for media appearances, I was a guest on the 37th episode of "Let's Try! Expand Your English World on SNS" on NHK's high school English communication program in February 2023 and appeared on the FM radio program "Welcome to Yoshizawa Miyuki's Atelier" in May 2022.

My work was also exhibited at the "Illustrator Miniature Exhibition" in May 2022.

In terms of translation,

I served as an assistant editor for

"Yellow Yoshka" and "Advent Adventure" children's books.

Production Process

① Inquiry

Please contact me via email or the website inquiry form with information such as budget, deadline, and desired image.

② Meeting

Let me know about the details of the project.

I will ask you via email or phone.

Depending on the content of the consultation,

I may also be able to visit you in person.

I look forward to working with you to create something great!

③ Draft creation

The draft creation process involves creating a lightly colored line drawing using a computer, which you will confirm.

Please let me know if you have any concerns or questions about the draft.

④ Final production and delivery

Once the draft has been confirmed,

I will move on to final production.

I will show you the completed work

and deliver the data if there are no issues.

Production environment

iPad Pro (4th generation) 12.9 inches

Mac OS

Clip Studio Paint

Adobe Photoshop

Adobe Illustrator
